**THE NEXT  
GENERATION  
ELECTRICAL  
TAPE**

# THE WARRIOR'S TIME HAS COME.

It's more than a complete line of top-quality, high-performance electrical tape. WarriorWrap™ is the best electrical tape on the market. Engineered from the ground up to perform better than anything you can buy, it's an indispensable tool you'll use every day and rely on for years to come.

## **DEMAND THE BEST. ACCEPT NOTHING LESS.**

The fact is, WarriorWrap outperforms whatever tape you've been carrying. With over 40 years of experience in the electrical industry, NSi Industries is committed to innovation and quality. And WarriorWrap takes it to a new level. UL testing proves it beats the leading competitor. But what's really important is how WarriorWrap gets the job done right the first time. Every time.

## **MAKES MOTHER NATURE CRY UNCLE.**

When it comes to standing up to extremes, WarriorWrap doesn't just meet the standards, it crushes them. It withstands the elements without flaking, cracking or losing adhesion, from below zero to scorching temperatures. You can also count on WarriorWrap's rugged durability to stand up to the harshest UV rays, rain, wind and snow.

# WARRIOR WRAP DOMINATES. HERE'S THE PROOF.

Independent UL testing proves WarriorWrap exceeds the performance of the leading competitor by as much as 39%. We know how critical adhesion, breaking strength and elongation are when it comes to a reliable electrical tape. You've simply got to try this tape to realize there is no comparison.

 UL Certified Test Results	Industry-Leading Electrical Tape	WarriorWrap™ Premium
<b>Thickness</b>	7 mil	7 mil
<b>Certification</b>	UL / CSA	UL / CSA
<b>Adhesion to Steel</b> When it comes to adhesion to a steel surface, WarriorWrap beats the competition hands down.	●	<b>20% better</b>
<b>Adhesion to Backing</b> Nothing sticks to itself like WarriorWrap, providing a secure grip around virtually anything.	●	<b>39% better</b>
<b>Breaking Strength</b> Substantially stronger than the competition, WarriorWrap is as tough as the warrior it's named for.	●	<b>24% better</b>
<b>Elongation</b> The better the stretch, the better the seal, and WarriorWrap stretches more without breaking.	●	<b>34% better</b>
<b>Insulation Retention</b> WarriorWrap retains more insulating properties under stress and heat, and that means more protection from electrical failure.	●	<b>10% better</b>
