- A complete "all-in-one" IP video solution
- Plug-and-Play camera auto-configuration
- Built-in PoE switch to power cameras
- HD performance at an analog system price

TruVision® NVR 11 & Megapixel Camera Kits

Ideal for small retail stores, medical offices, gas stations and residential applications, the TruVision® NVR 11 IP video kit from Interlogix provides a complete, cost-effective surveillance solution that's also incredibly easy to install.

Available in 4- and 8-channel configurations, each kit includes a choice of TruVision cameras with no IP configuration or programming required. Simply install the cameras, connect to the built-in PoE switch and power on the NVR to start recording. Manage multiple recorders with the free downloadable TruVision Navigator VMS software and view cameras on-the-go with the free TVRmobile app.

NVR Features

- Easy front panel direct channel selection
- Monitor/Mouse ports – No PC required
- Continuous, motion or scheduled recording modes
