

# Cable Management Clips

## AC1035-20

The Cable Management Clips harness messy spaghetti wiring within a plastic enclosure, keeping cables neat and installations clean. Their low-profile loop design is capable of accepting 1/2" W Velcro or cable ties to tightly hold wiring in place.

Mounting tabs insert vertically into the plastic enclosure mounting holes and easily secure with the included plunger/grommet - no tools necessary. They're also designed to withstand 20 lbs of pull force, keeping cables firmly in place. The clips are sold in a bag of 20.

### FEATURES & BENEFITS

- Harness cables within a plastic enclosure for clean installations
- Low-profile loop design is capable of accepting 1/2" W Velcro or cable ties
- Easily attach to the plastic enclosure with included plunger / grommet - no tools necessary
- Clips mount securely to enclosure, withstanding 20lbs pull force
- Pack includes 20 Cable Management Clips

**Don't forget to load up on cable ties for your next project!**
