47605-14C

14" Structured Media Flush Mount Cover, Metal, White

14" Metal Flush Mount Cover: Used with Leviton Metal Structured Media Enclosures, the standard cover mounts directly onto the enclosure. Screws directly to enclosure frame and protects home networking components and electronics mounted inside the structured media center.

Features and Benefits

- Flush-mount cover attaches directly to Leviton Structured Media Center, utilizing provided screws
- To open Structured Media Center, simply remove screws from enclosure
- Flush-mount cover overlaps drywall cutout by ¾ inch to hide uneven drywall cuts around the enclosure
- Cover is manufactured out of 18-gauge steel, powder-coated white
- Covers protect home networking components and electronics mounted inside the Structured Media Center
- Flush-mount cover is the most basic, cost-effective option for your Leviton Structured Media Center
