

IQ Pro

Commercial hybrid intrusion just got upgraded

Two panels in one IQ Panel 4 & PowerSeries NEO combined

Addressable Loops One wire, all your devices

Anyone can be a pro
Purpose built for easy install using IQ Installer, in the iOS App Store or Google Play Store

Communicators Built-in Dual-Path LTE and WiFi/Ethernet

PowerG range & encryption Industry's best wireless security and life safety

sensor portfolio

Everything you need 8 partitions, 100+ zones, 200+ users
