

CX-ED1959-MB Outdoor Rated Electric Strike

(Shown with mounting box)

Camden CX-ED1959-MB outdoor-rated strikes feature heavy-duty stainless steel construction with an integrated ANSI square faceplate and grade 1 performance. Compatible with cylindrical locksets and mortise locksets without deadbolts, CX-ED1959-MB strikes are specifically designed for exposed perimeter doors and gates.

The 'universal' strike design features field selectable 12/24V, DC voltage, and fail safe/fail secure operation. The CX-ED1959-MB model includes a heavy gauge painted steel mounting box at no additional charge.
